Natural Beauty Recipes

**Organic Vinegar Skin Cleanser & Toner**
To open pores and loosen dirt and excessive oil from your face, turn off heat under a pan of steaming Bragg Apple Cider Vinegar water (2 Tbsps ACV to quart purified water). Steam face over pan and use towel draped over head to trap steam. Then pat Bragg Apple Cider Vinegar on face with cotton ball to remove the loosened dirt. Repeat steaming and cleansing twice. Then pat or spray on chilled Bragg Apple Cider Vinegar, diluted with equal amount of distilled water (store ACV mixture in refrigerator) to close pores and tone skin. Do steam cleansing twice weekly, as needed.

**Skin Tonic Facial for Men & Women**
Wash skin in warm water (no soap). Apply a wrung-out, hot water-soaked cloth to face 3-5 minutes, then remove. Then soak cloth in warm Bragg Apple Cider Vinegar water (1 Tbsp ACV per cup of water) and again apply to face. Cover ACV-soaked cloth with towel wrung out in hot water. Now lie down for 10 minutes or longer with your feet elevated up on the couch or against the wall. This brings more blood circulation to revitalize the face for cell rejuvenation.

**Hair Rinse for Shine & Body**
For healthy after-shampoo rinse add 1/3 cup Apple Cider Vinegar to quart of water. Pre-mix in handy plastic bottle & keep in shower.
